

## GRAND JURY IS INVESTIGATING WHITE CASE

WITNESSES ARE EXAMINED IN MANHATTAN MURDER TRIAL.

Ed White, charged with the murder of Charles Black at Manhattan some weeks ago, was brought before Judge Averill in the district court yesterday, and asked if he had counsel to defend him. White responded that he was without legal aid and at his request Judge J. A. Sanders was appointed to look after the preliminary part of the trial and also to represent the defendant during the grand jury investigation of the case.

The grand jury started in to look into the case at the morning session and examined several witnesses during the day. Additional witnesses arrived from Manhattan in the afternoon and they will go before the inquisitorial body today. It is expected that a true bill will be returned against White. Among the different committees appointed Tuesday was one to investigate the affairs of the Nye and Ormsby county bank, and the work has already been started in this direction. Naturally progress will be somewhat slow at first but it is expected that all of the affairs of the defunct institution will be thoroughly gone into.

## TRACK TEAM LEAVES TO ATTEND ACADEMIC MEET

WILL PARTICIPATE IN BIG STATE EVENT AT RENO ON SATURDAY.

This morning the track team of the Tonopah high school departs for Reno and on Saturday will participate in the academic field meet, in which will be entered teams from every high school in the state together with representatives from a few of the California schools near the boundary line of the two states.

The Tonopah delegation, which will consist of eight athletes, expect to win a number of the dashes together with the longer runs, but have no hopes in capturing the weight throwing or jumping events.

Professor C. Schoer Jr. will accompany the team, as will Coach Harold Stotesbury. The team will be made up of the following: Walter Bowler, Arthur Boggs, Eugene O'Connell, Leo McNeill, Archie Traber, Leo Harrington, Bernard Flood and Percy Wiley. Tommy Dugan and Austin Wardle will accompany the boys and will act as official rooters. The boys will return Sunday morning.

## RECEIVED JOLT THAT JARRED HIS CONSTITUTION

TWO ILLUSTRIOUS SONS OF CHINA ENGAGE IN FIST FIGHT.

Lean Dan, a favored son of the flowery kingdom and Wong Kim, who likewise hails from the land of Confucius, engaged in a dispute yesterday over society matters and as a consequence Dan received a blow on one of his optics that will disqualify that member for active use for some time to come. This so enraged Dan that he swore to a warrant charging Kim with assault and battery and the case will come up before Judge H. H. Atkinson this afternoon.

Chinatown is about divided concerning the merits of the two fighters, some of the authorities claiming that Kim is an equal of Jeffries while others pay tribute to Dan for the masterful way in which he stopped the blow of his antagonist. From reports it appears that the trouble arose over a dinner of their own, and the comparison of the edibles at the two feasts, caused the dispute in which Dan lingered a second too long.

## STAMPS OF THE MAYFLOWER MILL AGAIN DROPPING

FINANCIAL TROUBLES OF THE PIONEER LEASING COMPANY ADJUSTED.

Henry Thurtell, member of the state railroad commission arrived from Pioneer last night and will continue on to Reno this morning to be present at the hearing of the case against the Southern Pacific in an endeavor to secure terminal rates for this state.

Mr. Thurtell reports the south end of the county as rapidly improving. The Mayflower mill, that has been out of commission for a number of months, and which was leased by the Mayflower Leasing company, resumed operations yesterday working on ore of the leasing company. This company has been in a badly tangled state of affairs, and it has been Mr. Thurtell's pleasure to straighten the affairs out. This he has succeeded in doing after several weeks of arduous labors and now the company is again in a position to pay dividends. The mine force is steadily engaged in breaking ore for the mill. During the last month the mine has been thoroughly gone over and the different workings have been mapped out in a glass model. The management is in touch with every section and the work of the samplers has demonstrated where the best ore lies.

## DECISION IS RENDERED IN CASE AGAINST ASSIGNEE

JUDGMENT IS SECURED AGAINST ASSIGNEE OF MERCANTILE COMPANY.

A decision was handed down yesterday afternoon in the district court in the case of William F. Rose versus R. T. Harris, assignee. The decision finds in favor of the plaintiff for seventeen cases of champagne or in lieu thereof, the sum of \$612 and the costs of suit. The original damage asked in the complaint amounted to \$2,500.

Harris was sued as the assignee of the Mizpah Mercantile company, the Crystal Soda Water company, and Oscar I. Runnels. The suit was instituted several years ago and only came up for hearing a few months since, having been continually delayed by the attorneys. This was also one of the cases that Judge Averill inherited from the docket of former Judge J. P. O'Brien and is about the last one, the docket being pretty well cleaned up.

## BENEFIT AT THE BUTLER WAS A BIG SUCCESS

HIGH SCHOOL BOYS REALIZE SUM TO DEFRAY EXPENSE OF TRIP.

The benefit at the Butler theater last night for the Tonopah high school was a big success in every way. Much credit is due Mrs. Berry, Mr. Schoer Jr. and Harold Stotesbury, who had charge of the high school specialties, the box office and the door.

Earle R. Clemens scored his biggest hit in his rendition of "If I Had a Thousand Lives to Live," and sang "Muriacci," an Italian take-off, as an encore. That Clemens is appreciated in Tonopah goes without saying.

Commencing at today's matinee there will be another entire change of program, new songs by Mr. Clemens and Miss Feldman and the pictures are: "Jones' Watch," comedy; "Hemlock Hoax," comedy; "Fisherman's Luck," comedy; "Fall of Babylon," Biblical drama, and a big American Biograph entitled, "Thou Shalt Not." This picture is a dramatization of the famous novel of the same name.

This program is on for today only. The price of admission, night and day, is ten cents.

## TONOPAH HIGH SCHOOL ACCREDITED TO UNIVERSITY

ANNOUNCEMENT IS MADE FEW DAYS AGO BY COMMITTEE ON STANDING.

The Tonopah high school is now fully accredited to the Nevada state university, as stated in the following letter received several days ago by Principal Schoer. The letter, which is itself self-explanatory, is as follows:

The committee on admission and advanced standing of the University of Nevada accredits the Tonopah high school in the following subjects. English, a, b, c, and d; mathematics, a, b, c, d and e; physics; history, a, b, and c; Latin, a, b and c; German, a and b; chemistry; physical geography; book-keeping (1/2 unit).

We noted with pleasure the marked improvement in the tone and spirit of the school. We appreciate the difficulties with which you are contending in Tonopah, and we hope that you will continue to develop a loyal spirit among the students and keep them down to consistent hard work.

Yours very truly,  
H. W. HILL,  
Chairman Committee on Admission and Advanced Standing.

## PIONEER OF NEVADA STATE IS SUMMONED

W. S. Atchison, one of the pioneers of Tonopah, and who had lived in this state over sixty-two years, died at the Miners' Union hospital Tuesday afternoon from stomach trouble. He was a native of Illinois and had he lived two days more would have reached his sixty-fifth birthday. For many years he was a resident of Lincoln county, and later resided in Panaca. He is survived by two sisters, Mrs. W. R. McFadden and Mrs. J. A. Higgins, both of Tonopah, two sons, W. Atchison and John Atchison, of this city and two daughters at Panaca.

## MINER DIES FROM ATTACK OF PNEUMONIA

TOM MANION SUCCEUMBS YESTERDAY MORNING TO ILLNESS OF A FEW DAYS.

Tom Manion, who was taken to the Miners' Union hospital, Sunday suffering from pneumonia, passed away at that institution yesterday morning at 2:30 o'clock. It was evident that the end was near Tuesday afternoon for oxygen was used several times to prolong life. The body will be taken to San Francisco this morning for interment.

The deceased was aged 39 years and was a native of Grass Valley, California. He is survived by a brother, Jack Manion, who is shift boss at the MacNamara mine, a mother and four sisters. His mother and two sisters reside in San Francisco, while one sister lives at Berkeley and the remaining one at Oakland. Manion had only been in Tonopah four months but during his short residence here, had made many friends.
